-School Goal Met

***Silly Stringing & Singing with
the Principals***

The 2 classes with the most donations will get the silly string cans!

**The 10 students who raise the most money will win a school
shirt tie dye party with special treats during school!**

On October 28th, our students will run, jump and dance while raising money for our school. It is simple, easy and all of the funds will go back to our great school!

Since Mossman opened, PTA funds have been used to:

- Build leveled classroom libraries for K-2nd grades with over \$17,000 approved last year
- Support individual classroom educational enhancements
- Support the literacy library and add to the Mossman Library
- Build the Mossman playground & shade structure
- Support Mossman's Clubs & International Fair
- Implement & support a cafeteria recycling program
- Provide teachers with requested training

Look around Mossman for the signs indicating classrooms that have received enhancements from PTA funds and know that your support directly impacts Mossman's Knights. Our goals for this year will be to build reading level specific classroom libraries for 3rd-5th grade classrooms, sponsor family events such as bike rodeo & family fun nights for our Mossman community and to continue to fund programs that positively impact all students and teachers.

Remember:

Only ask people you know for sponsorship.

Family members are welcome to attend. Be sure to check in before heading to the fun run.

This is a team effort! October 28th will be an especially great day to be a Knight!
